6. **Regular Sources of Data**

The data is regularly collected via Internet from the data submitted by the person himself/herself and with the help of cookies.

7. **Disclosure of the Data in the Register**

The information in the register of Keitele Forest Oy is only used for the company's own purposes. No data is disclosed to third parties.

8. **Cookie Policy**

We collect data using cookies to calculate the number of visits on the website and to develop the website. We also use cookies to collect data regarding the user's terminal device.

You can change the Cookie settings in your browser.

9. **Regular Destinations of Disclosed Data and Whether the Data Is Transferred to Countries Outside the EU/ EEA**

The personal data is not processed or disclosed outside EU/EEA.

10. **Your Rights**

You have the right to access, update, remove and correct your personal data.

Requests to access personal data can be sent in writing to: Keitele Forest Oy, Teollisuustie, 72600, Keitele, Finland.

If you want to update or correct your information, please contact: tietosuojaavastaava@keitelegroup.fi

If you want to deny the use of your personal data, please contact us in writing: Keitele Forest Oy, Teollisuustie, 72600, Keitele, Finland.

11. Data Security

Personal data is handled with confidence. The register is only allowed to be used by personnel whose job requires processing of the personal data. The use of the register is secured with usernames, passwords and rights of use. The register is saved in a computer in a secured place. Access to the data via Internet is secured with proper firewall arrangements. Any data bases and copies of such are stored in a secured place and data can only be accessed by named people.

12. Data Retention

Data is maintained in principle for as long as an offer for purchase has been given. If a customer relationship is thereafter created, the information will be transferred (with the consent of the person in question) to the customer register of Keitele Forest Oy. The data in the customer register will be maintained until the end of the customer relationship.
